AUGUST - SEPTEMBER 2026

Students Showed Up & Served!

SLD students helped A Hand Up Ministries load and unload donations to stock their new A Little Hand Up Thrift Store!

We're grateful to partner with A Hand Up as they meet practical needs and provide a hand up to individuals and families in our community.

Our students put leadership into action by serving, working together, and making an impact!

RED, WHITE & Soirée

A huge THANK YOU to everyone who served, sponsored, donated, and supported this year's Stars & Stripes BBQ & Soirée! Your generosity helps SLD equip students to lead, serve, and impact culture through the lens of the Gospel. Thank you for investing in students who are prepared, aware, and ready to make a difference!

First Semester Seminar

Our first seminar was full of team-building, activities, and meaningful discussion led by SLD alumnus Cesar Garcia.

Cesar challenged students to consider, What does biblical leadership look like? We were reminded to lead with humility as Christ .

Students were challenged to surrender what they're trying to do on their own, follow Jesus, and not get distracted by everything around them.

We're excited for all that's ahead this semester as students continue learning, serving, and leading!
